TWO JEWELS.

That Takes the Lead in Their Business and Will Keep it.

The Magnificent Establishment of Edholm & Erickson.

When General Sherman predicted that Omaha would at no distant day take the front rank among the great THE ORANA DAMY BEE has by ar the largest cities of the west, it was on the supposition that her population included enough live enterprising business men their tast and skill contribute to her prosperity. Had he been with our reporter last evening he would have ha no further doubts on the subject or if he had, he would prove himself a very skeptical man indeed.

In his usual round for news the latter dropped into the jewelry store of Messrs. Edh lm & Erick-on, on Fif -Carriages and wagons at Woodteenth street just opposite the postoffice building, and what he a w there -Elegant perfumes at Kuhn's drug | was so convincing a proof of the success to be won in this city by the right

kind of men that he deemed it worthy As is well known the two young gentleman who compose this firm graduated from the establishment of A. B. Huberman & Co, and less than two years ago began business for

themselves, on a small scale at their present stand. Their outwas at that time small and their two workmen were able to de their work and find a little leisure time. The young men had a hard struggle before them, but they brought energy, skill, taste and good judg ment to aid them, and although by an offshoot, as it were, of the old house, they soon took root and began so show an unprecedented growth and promise. That promise has not failed, and as on this occasion our reporter

looked about the spacious room, saw its lofty cases and broad shelves with their wealth of glittering treasures and beheld the unmistakable signs of thrift and success on every side, he ter's Mammoth Clothing House, 1214 | could not but marvel. The firm now employ eight workmen.

themselves, are -Found-Coupon No. 12 of bond | kept busy night and day and can then No. 604.28. Owner can have by call- scarcely fill ail the orders that come in. One man is kept on the read all the time wholesaling, and the trale The Western Union company are extends over all the adjoining territor putting up a line of new forty-five Arizona, for it has become proverbial ries and as far out as Camp Verde. with the western trade that Edholm critical condition & Erickson sell cheap because they possess the requisite knowledge to buy the receipt of a generous contribution benefit of their bargains. In short, return about August 1st. to the Persian Famine Fund, from au it looks as if the firm was about to walk away with the rest of the trade

already creating a perfect panic among the old-time dealers who have been accustomed to slow sales and immense profits, while this firm believes in the old adage that "a nimble penny is better than a slow shilling." It would be almost superfluous to wish them success, for they are bound to have it anyway, but nevertheless we do sc, for colony settled there for eastern papers. surely they deserve an acknowledge ment of the credit with which they have fought for and maintained a po

business men. A glance over the stock now dis played in this jewelry emporium wifl prove that there is good founcation or our assertions and that Omsha can compete with any city, east or west in the size and choice character of the stock here displayed. Three sides of the room are hommed in by rows of handsome show cases, while the walls are hidden from view by elegant upright cases all filled with a store of e for st treasures the American and erner of the room is the linest rega

European marts can yield. In one lator in Omaha, which cost \$500 while the opposite part of the room is new safe just manufactured to order or this firm and with its convenient and commodious interior arrangments and its superbly painted exterior acknowledged to be the hand-

In one of the show cases we found vast assorment of watches of every conceivable size and shape, of the latest and most exquirite designs and the most approved American and forsign works. The assortment of ladies watches, slem winders, very extersive and varied from silver quarter up and ranging in

price from \$12, which is very low to any price desired. Among the most ment d with designs in Fi restine chamel, but there were so many rare patterns that we could not mention has seen in this city and fairly took noon on a visit his breath. A novel style is the "locket watch," the cases of which

are constructed to accommodate the likenesses of one or more friends. From watches we pass to bracelets, proved to be insane, and is supposed variety. The most unique, and the of which there is an endless style and latest, is the engagement brrcelet, soylum. He had a hole in the back which is provided with a diminutive golden p dlock and key, which the lover locks and is supposed thereby to keep secure so long as the key is in his own pocket. There are also bangle bracelets of all styles, and adjustable bracelets, all of solid gold, enamel and Roman gold, and from a yesterday. quarter of an

two inches in breadth. These lovely articles with smaller jewelry and gold | nell this morning. chains completely fill another case. In a third are rings, eardrops, laceoins, sleeve buttons and sets of elaboate workmanship, rare design and costly finish. Diamonds and rubies seem to be the favorite stoner, and the brilliant lustre of the former and the warm glow of the latter make an enchanting sight to took at. The bird jewelry is very beautiful, and another style fashioned like geranium leaves with diamond dew-drops glistening from their centre were exquisite. Especially beautiful were some scarf

Brief mention should be made Chicago last evening. of a beautiful gold enameled, pearl-inlaid bracelet in this case also of some imported Milan work on a trip south. B line; of a solitaire diamond lace pin, a set of mosaic basket

"buckle" sets, etc. Another case is filled with gold pens, thimbles and charms of all kinds; another with silver watches, and still another with a great variety of small sil-
